How do I update my Product & Fund research password in the Synaptic Suite?

To access Synaptic Product & Fund Research through the Synaptic Suite, you will need to add your username and password with the **Product & Fund tab**.

Navigate to www.synaptic.co.uk.

To logon onto the Synaptic Suite, click on the icon below:

Enter your logon details, or click the Unipass option to log into the suite.

Once logged in, click into the 'Product & Fund' tab and select the **'Account Details'** tile:

Enter your Synaptic Product & Fund Research details:

Synaptic Product & Fund Account Details

User Name	Test Account	*
Password		*

Click 'Save' at the bottom right of the screen.

Your details have now been saved.

To log into Synaptic Product & Fund Research, Click back into the 'Product & Fund' tab and select either 'Research' or the 'Research History' tile.
