

Requesting Quotes - Family Income Benefit

Last Modified on 28/05/2021 1:01 pm BST

The next example shows a **Family Income Benefit** quote – in this case, you must enter the **annual death benefit** amount that's being requested (whole number of pounds). If the quote is to include CIC, enter as shown previously in this you guide.

The screenshot shows the Synaptic Webliner interface for requesting a quote. At the top, there is a navigation bar with the Synaptic Webliner logo, a support contact banner (Email: support@synaptic.co.uk or call 0808 164 5463), and a user profile for Amy Wood. Below the navigation bar is a sidebar menu with categories: Clients, Products, Results, and Apply. The Products section is expanded, showing various insurance products, with 'Family Income Benefit' selected. The main content area is titled 'Family Income Benefit' and contains two sections: 'Product details' and 'Product features'. The 'Product details' section includes: 'Quote for' (Life one selected, Life two, Both), 'Include Critical Illness cover?' (Yes, No selected), 'Driven by' (Benefit selected, Premium), 'Premium frequency' (Monthly selected, Annually), 'Annual death benefit amount' (input field with £ symbol), 'Term or Cease age' (Term selected, Cease age), and 'Term length' (input field with years). The 'Product features' section includes: 'Waiver of premium?' (None selected, Life one, Life two, Both), 'Increasing benefit?' (Yes, No selected), 'Guaranteed rates?' (Yes selected, No), and 'Reviewable rates?' (Yes selected, No). At the bottom of the interface, there are buttons for 'Quick Commission', 'Back', and 'Next'.
