

Creating Quotes - Term Assurance

Last Modified on 04/06/2019 8:49 am BST

This will allow you to create a straightforward comparison term quote on level, decreasing or increasing basis for life and critical illness.

The screenshot shows a web form divided into two main sections: 'Client Details' and 'Product Options'.
Client Details: Includes fields for 'Clients' (with checkboxes for 'Include Life A' and 'Include Life B'), 'Sex' (radio buttons for 'Male' and 'Female'), 'Date of Birth (dd/mm/yyyy)' (text input with '02/09/1981'), 'Smoker?' (radio buttons for 'Yes' and 'No'), 'Occupation' (text input with a 'Change' button), and 'Email' (text input).
Product Options: Includes 'Product Type' (radio buttons for 'Premium Driven' and 'Benefit Driven'), 'Benefit Type' (dropdown menu with 'Death Benefit Only'), 'Death Benefit Amount(£)' (text input with '200000'), 'Do you want a Renewable policy?' (checkbox), 'Term' (text input with '20' and 'Years'), 'Premium Frequency' (dropdown menu with 'Monthly'), 'Increasing Benefit?' (radio buttons for 'Yes' and 'No'), 'Waiver of Premium?' (text input with 'No'), 'Rates' (dropdown menu with 'Guaranteed & Reviewable'), 'How did you hear about us?' (dropdown menu with 'Please Select'), and 'IFA Ref' (text input). At the bottom are 'Get Quote' and 'Comm' buttons.

If 'quick commission' has been enabled in the **settings** area the **Comm** button will allow you to sacrifice commission on this particular quote. Once completed select **Get Quote**.

The quote forms are user friendly and as easy to understand as possible, but if there is anything you don't understand, simply click on ?.

In a few seconds Weblene obtains quotes from the providers and displays them by default with the cheapest premium at the top, but this can be changed by clicking any of the column headings as displayed below.

Weblene will give you a quote reference which can be used to retrieve the quote at a later date.
