The screenshot displays the Synaptic Weblines user interface. At the top left is the logo, a stylized brain with circuitry, and the text "SYNAPTIC WEBLINE®". Below the logo is a navigation bar with a home icon and menu items: Quote, Apply, Track, Documents, Users, Settings, and Info. The "Settings" menu item is selected, and a sidebar on the left lists "Settings" with sub-items: Vendor Account (highlighted in blue), Provider Panel, Commission Settings, and Compliance Text. The main content area shows the "Vendor account" section with a list of links: Account details (underlined and being clicked by a mouse cursor), Edit your account, Agency codes, and Help text.

Use this screen to view a summary of your account details including contact name, email and company address.
