If **Level Term Assurance** is selected you are able to make a selection for the quote from the following screen:

The screenshot shows the Webline interface for configuring a Level Term Assurance quote. The left sidebar contains a navigation menu with options like 'Quote', 'Find', 'Clients', 'Products', 'Level Term Assurance', 'Decreasing Term Assurance', 'Income Protection', 'Family Income Benefit', 'Waiver of Premium By Product', 'Results', and 'Apply'. The main content area is titled 'Level Term Assurance' and is divided into two sections: 'Product details' and 'Product features'. In the 'Product details' section, there are radio buttons for 'Quote for' (Life one, Life two, Both) and 'Cover type' (Life cover, Critical Illness cover, Life or earlier Critical Illness). There are also input fields for 'Death benefit amount' (with a pound sign) and 'Term length' (with a 'years' label). In the 'Product features' section, there is a dropdown for 'Cover indexation' (set to 'Level') and radio buttons for 'Rates' (Guaranteed, Reviewable). At the bottom of the interface, there are buttons for 'Quick Commission', 'Back', and 'Next'.

You can make a selection for **Critical Illness Cover** by selecting the appropriate button;

This is a close-up view of the 'Level Term Assurance' configuration screen. The 'Product details' section is highlighted. The 'Cover type' section shows three radio button options: 'Life cover', 'Critical Illness cover', and 'Life or earlier Critical Illness'. The 'Critical Illness cover' option is highlighted with a red box. To the right of the 'Life or earlier Critical Illness' option, there is a 'Choose...' button and the text 'Comprehensive'. Below this, the 'Product features' section is visible, showing 'Cover indexation' set to 'Level' and 'Rates' set to 'Guaranteed'.
