

# Webline Play - Income Protection Quotes

Last Modified on 22/04/2020 11:38 am BST

Webline Play is Synaptic's new protection lead generation web app that sits within your website.

Webline Play allows your clients to generate quotes for the following products:

- Level Term with Critical Illness
- Decreasing Term with Critical Illness
- Income Protection

The process is simple, they start by selecting the product they would like to quote for:

## Your Cover

Please choose your type of cover

<p>Life Insurance</p> 	<p>Income Protection</p> 
---	--

Next

After clicking 'Next', they will be taken to the 'Your Details' screen:

# Your Details

Please note: all fields are mandatory.

First name

Surname

Date of birth  /  /

Gender  Male  Female

Occupation  [i](#)

Email address

Phone number

Have you used tobacco or nicotine products in the last 12 months?  Yes  No [i](#)

[Back](#) [Next](#)

The next screen is their 'Cover Details'. They will need to enter the cover information before selecting 'Get Quote' to generate the quote:

# Cover Details

Please note: all fields are mandatory.

What is your annual salary before tax?  [i](#)

How much cover would you like your policy to pay you each month?  [i](#)

How soon would you like your cover to start paying?  [i](#)

What age would you like your cover to run until?  [i](#)

Would you like your cover to increase each year?  Yes  No [i](#)

How long would you like the monthly cover to be paid in the event of a claim?  [i](#)

Would you like your premium to be fixed for the policy lifetime?  Yes  No  Don't mind [i](#)

[Back](#) [Get Quote](#)

The screenshot below is the 'Your Results' screen. This page summarises the client's personal details and the quote information they have completed on previous screens.

Directly below this is the call to action, where the client can call through to you to

complete the quote.

The client is able to view the details of each product, the monthly cover, term, deferment period & premium type:
