If you have used the portfolio against a client activity (for e.g. an Illustration) you will be presented with the following message:

This Portfolio is linked to one or more client activities
Select Deactivate If you want to keep the portfollo but prevent It from being used (Recommended)
OR
Select Delete If you want to permanently delete the portfolio, which means you will have to select an alternate portfolio the next time the client activity is reviewed
Deactivate Cancel Delete

It is best to deactivate, as this will prevent the portfolio being used but will allow the portfolio to

stay linked to client activities.

If you choose to delete the portfolio, you will be prompted to select an alternative portfolio next time the client activity is reviewed.
