

# Apply Basket - Send to my Email

Last Modified on 28/05/2021 11:53 am BST

You can send details of products in your Apply basket to your email address. This allows you to quickly link through to the Synaptic Webline Apply basket, or apply for each product directly from the email without logging in.

Click 'Send to my Email' at the bottom left of the screen:

The screenshot shows the Synaptic Webline interface. At the top, there is a navigation bar with 'Quote' and 'Find' buttons, and a user profile for 'Amy Wood'. Below this is a table of products in the apply basket. The table has columns for Provider, Product Details, Benefit, Premium, Info, and Action. Three products are listed: AVIVA Simple Life Insurance, GUARDIANI Family Income Benefit Protection Builder without Child CI, and AVIVA Income Protection Income Protection+ 2 year payment. Each product row has an 'Apply' button and a red 'X' icon. At the bottom of the table, there is an orange banner with the text: 'Your product selection could not be satisfied by a Multi-Benefit policy. Click to show the reasons why.' Below the table, there are two buttons: 'Send to my System' and 'Send to my Email' (highlighted with a red box). A 'Back' button is also visible in the bottom right corner.

This will confirm the email has been sent to the email on your account:

The screenshot shows a confirmation message titled 'Your Contact Email'. The message text is: 'Thank you. Your apply basket details have been sent to the email address [redacted] as requested. You will be able to retrieve these saved quote application details for 30 days from today, via the link in the email or by searching quotes from 'Find' functionality in Webline.' There is a 'Close' button at the bottom right of the message box.

If an email address is not set within your account details, you will receive the below message. You will need to enter your email address and check your email for a link to complete the verification process. This link will expire in 15 days:
