Pathways Product Update

Enhancements to research journeys

We're pleased to share the highlights of our latest Pathways product release

- Enhancements to core features
 - Products created by your organisation are held in the product list
 - Charges section on a holding displays adviser fees
- Enhancements to licensed features
 - Adviser fees can be added per wrapper or across all wrappers within a comparison journey
 - Risk illustrations can be produced on a single fund in addition to a portfolio or client attitude to risk

Please open the Synaptic Pathways 5.1 Release Notes document below for further details on the enhancements.

If you would like a demonstration of the new features, please send your request to hello@synaptic.co.uk or book a demo using the button below.
