

What's in Pathways 6.0 Release?

Last Modified on 15/12/2022 10:43 am GMT

Pathways Product Update

New features and enhancements to research journeys

We're pleased to share the highlights of our latest Pathways product release

- New features
 - Pathways Protection; single life quotes for level term, income protection and critical illness benefit types
 - intelliflo office 2-way integration; for client and plan actions (launches January 2023)
- Enhancements to existing features
 - Integration support for Synaptic Webline and Synaptic Product & Fund with population of client details
 - Switching updates to ceding scheme selection and stakeholder pension in results
 - Updates to the Ex-ante Costs and Charges Statement

Please open the Synaptic Pathways 6.0 Release Notes document below for further details on the enhancements.

If you would like a demonstration of the new features, please send your request to hello@synaptic.co.uk or book a demo using the button below.
