

Applying direct from CIExpert

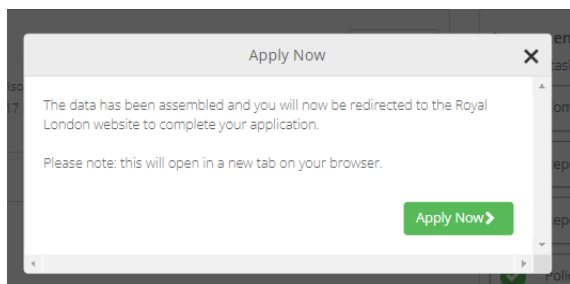

Last Modified on 04/04/2023 12:52 pm BST

You will be able to view the status of your assessment within CIExpert. When ready to complete the application form, click **Apply Now**

The screenshot shows the 'Reports' tab in the CIExpert interface. On the left, there is a 'Report 1' card for 'Quote A' from AIG and ROYAL LONDON, created on 17 March 2023. In the center, a 'You are applying for:' card lists 'ROYAL LONDON + Children Enhanced' for the period '20 March 2022 to Present'. On the right, the 'Assessment Checklist' shows several completed items: 'Comparison Created', 'Report Created', 'Report Downloaded', and 'Policy Recommended'. The 'Apply Now' item is currently unchecked and highlighted with a blue border and a mouse cursor. Below the checklist, the 'Assessment Status' shows 'Policy Recommended'.

Click **Apply Now** to be redirected to straight to the provider website to complete the application using the Pathways Protection quote information

The 'Apply Now' dialog box contains the following text: 'The data has been assembled and you will now be redirected to the Royal London website to complete your application.' Below this, it says 'Please note: this will open in a new tab on your browser.' At the bottom right, there is a green button labeled 'Apply Now' with a right-pointing arrow.
