

# Basis of Illustration - Deterministic Forecast - CIP

Last Modified on 13/02/2024 3:34 pm GMT

This article is a continuation of [Basis of Illustration - Stochastic Forecast - CIP](#)

The **Deterministic Forecast** tab allows you to review a deterministic graph, showing the **Net Contributions, Overall Return** and **Return Without Fees** over the **Term of Investment**

**Overall Growth % & Overall Growth £** is also shown above the graph:
