

# Administrator Password Reset

Last Modified on 13/02/2024 3:35 pm GMT

If you are an Administrator and you require a password reset, you will need to contact our Application Support Team on 0808 164 5463 Option 1 or email [Support@synaptic.co.uk](mailto:Support@synaptic.co.uk) to do this for you.

If you are an Administrator and a user requires a password reset, it is your responsibility to reset this. See article [How to reset a users password](#) for further details.
