

# Central Investment Proposition - Assigning Users to a Segment

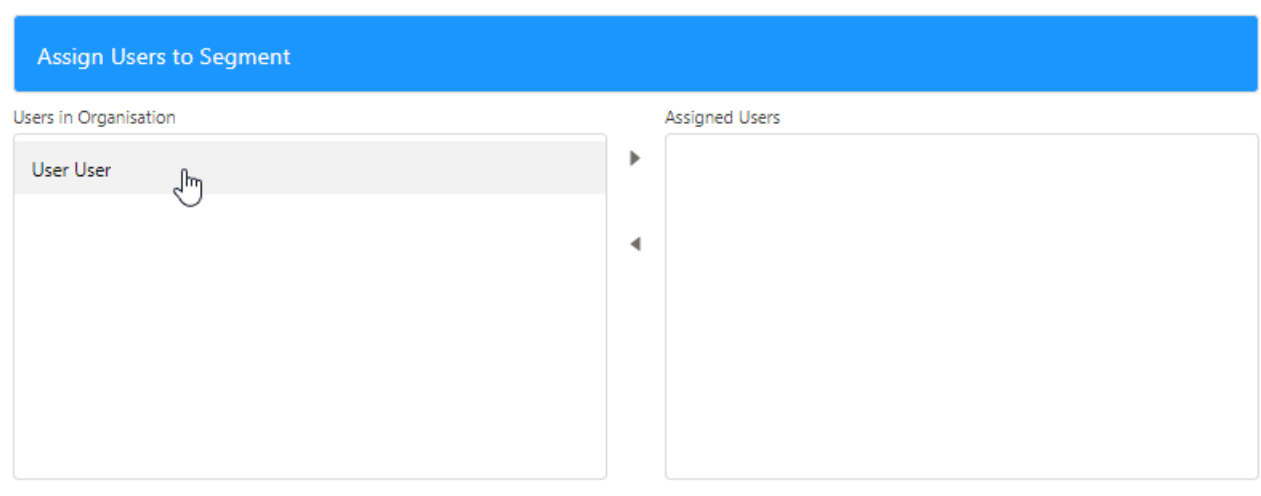

Last Modified on 13/02/2024 3:35 pm GMT

This article is a continuation of [Central Investment Proposition - Adding Adviser Fees to a Segment](#)

Assign Users to a Segment in a Central Investment Proposition by clicking into the **Assign Users** tab:

Click on user to move them over to the **Assigned Users** area:

## Assign Users to Segment

Users in Organisation

Assigned Users

User User

Move selection to Assigned Users

## Assign Users to Segment

Users in Organisation

Assigned Users

User User

Move selection to Assigned Users

Multiple users can be assigned at once. Click on the first user, type CTRL A to select all the users in the list.

If you don't wish to move all users, click the first user, hold CTRL and click the users you would like to move.
