

Income Analysis - Other Incomes

Last Modified on 16/12/2024 12:38 pm GMT

This article is a continuation of [Income Analysis - Income Requirements](#)

The Other Incomes area allows you to complete State Pension information and any other income to include in the analysis.

State Pension

The screenshot shows the 'Income Analysis Research' interface. At the top, there are fields for Client Name (Susanna West), Description (Test Description), and Created By (Amy Paulsen, 02/08/2024, 10:43). A progress bar indicates the current step is 'Other Incomes'. The 'State Pension' section includes a toggle for 'Include State Pension in the Calculation' (set to 'Yes'), and input fields for 'State Pension Age' (68 years), '*Months' (0), and '*Yearly Income' (11502.4). Below this is a section for 'Include additional State Pension in the Calculation' with a 'Yes' toggle. An 'Other Income to be Included' section has an '+ Add' button. A 'What's Shown Here' box provides instructions on including state pension and additional income. Navigation buttons at the bottom include 'Back', 'Continue to Result Page', and 'Continue to Next Step'.

State Pension is automatically selected and values entered from the Gov.uk website.

These figures can be overridden:

This close-up shows the 'State Pension' section. The 'Include State Pension in the Calculation' toggle is set to 'Yes'. The 'State Pension Age' is 68 years, '*Months' is 0, and '*Yearly Income' is 11502.4. The 'Include additional State Pension in the Calculation' toggle is set to 'Yes'.

Additional state pension can be added:

This close-up shows the 'State Pension' section. The 'Include State Pension in the Calculation' toggle is set to 'Yes'. The 'State Pension Age' is 68 years, '*Months' is 0, and '*Yearly Income' is 11502.4. The 'Include additional State Pension in the Calculation' toggle is set to 'Yes', and this section is highlighted with a red box.

Complete details of the additional pension. This will be taken into account in the results:
