Create a **Comparison Report** on the top right of the screen:

The screenshot shows the Synaptic Pathways software interface. At the top, there is a navigation menu with options like Home, Paraplanner Access Centre, and Research. A search bar is located in the top right. The main content area is titled 'Protection Quote Test' and displays client details (Life One: Susanna West, Age 42, Smoker Yes; Life Two: Les West, Age 39, Smoker No). Below this, there are sections for 'Benefit List' (Income Protection and Level Term Assurance) and a 'Quick Filter' section. The 'Quick Filter' section includes dropdown menus for 'Provider' and 'Product', and a 'Sort by' dropdown. A 'Comparison Report' button is highlighted with a mouse cursor. Below the filters, there is a list of quotes from providers like Aviva and Zurich, with columns for 'Provider', 'Product', 'Payment Period', 'Monthly Benefit', 'Premium Type', and 'Rates'.
